

Welcome To Oxford Public High School

Oxford Public High School is a happy caring education system with a friendly family atmosphere. We maintain high standards of education and behavior. We are committed to the principle of partnership with parents and believe that children learn best when home and school are in harmony. The school receives active support and encouragement from parents and governors, both of whom are fully involved in the life of the school. Some of the salient features are: "Learning is very effectively enriched by well planned activities and a variety of school clubs accessible to all pupils." "Adults in the school are unfailingly caring and considerate towards pupils whatever their academic ability, strengths or weaknesses. The school provides proper support, advice, guidance and successfully involves pupils in the life of the school."
