

## CITIZENS OF THE FUTURE

Established in Karachi in 1978, The City School Group is today one of the largest private school networks in Pakistan, with branches in all the major cities across the country. It currently has 136 schools in 50 cities under The City School Network and 500+ owned and franchised schools under The Smart School banner with a total strength of over 150,000 students. It offers a knowledge and skills-based syllabus derived from the UK national curriculum and delivered with the help of professional and teaching faculty of over 9000.

## THE CITY SCHOOL OVERVIEW

Established in Karachi in 1978, The City School is today one of the largest private school networks in Pakistan with branches in all the major cities across the country. It currently has 150 schools in 48 cities with over 150,000 students in 500+ owned and franchised schools. The City School continues to expand its reach to meet the demands for quality education. The knowledge and skills-based curriculum derived from the UK national curriculum guides students from Nursery to Cambridge International Examinations (for the 16 and 18 year age group), qualifying them for the IGCSE, and O and A Level examinations. The uniform implementation of the curriculum gives parents, students, and teachers the advantage of a smooth and efficient transfer from one school to another within the system.

## CAREER & PLACEMENT SERVICES - CAPS

Career and Placement Services (CAPS) at The City School Network is an integral part of the network's college programme offering. Besides a strong academic backbone, the existence of a strong career placement programme ensures translating academic performances and extra-curricular achievements into local and international acceptances, need-cum-merit based scholarships and most importantly, a high university placement ratio.

TCS-CAPS contributes towards providing holistic career guidance and help students make informed decisions.

---

---

## WHY STUDY A LEVEL PROGRAMME?

The significant advantage of studying A Level from is the freedom of choice to choose any subject that matches the student's interest.

Primarily, in the beginning, students are provided with rigorous and comprehensive individual career counselling sessions where they are professionally supported to choose subjects that not only interest them but will help to secure maximum places in undergraduate programmes at various universities locally and internationally. Moreover, they are also vocationally guided throughout the academic year with regular career counselling sessions along with set academic goals provide a strong direction and support to our A Level students.

---

#### YOUTH PROGRAMMES

The City School Youth Programmes are aimed at ensuring development of abilities and skills that cannot be achieved fully through regular academic programmes.

We aim to provide ample opportunities to every student so he can determine his latent potential and accomplish as a resourceful, responsible and productive global citizen who is able to compete confidently at all platforms.

#### YOUTH PROGRAMME HELP OUR STUDENTS TO:

- .Be better human beings
  - .Be more socially aware citizens
  - .Be more morally, ethically and environmentally responsible citizens
  - .Be an effective person in the society with the ability to influence and bring a change
  - .Broaden their perspectives
  - .Improve their self-esteem, self-efficacy, problem solving and social skills
  - .Develop their well-rounded personalities
  - .Be effective and resourceful leaders with good interpersonal skills
  - .Become people with global perspectives
  - .Secure better chances of placement in foreign universities
- 

#### LIBRARIES

TCS Libraries are run by qualified and experienced librarians. Our well stocked libraries support the curriculum programmes in our schools while encouraging students to carry out their own research work.  
OUR MISSION IS TO RAISE OUR CHILDREN AS WELL-INFORMED CITIZENS.

---

## ADMISSION BASIC INFORMATION

.Our vision is to provide the opportunity for a first-class private education of international standard to girls and boys in all regions of Pakistan.

.Our goal is to ensure that whatever their ability on entry, all students attain the very best outcomes of which they are capable.

.Entry is, however, academically selective as we are ultimately preparing the majority of our students for CAIE O Level and A Level examinations.

.Registrations for admissions take place throughout the year. Parents wishing to enroll their children must first meet the Head of the school for registration and an appointment for assessment and interview.

.Admission to all classes commences as per the date announced and may continue till the 30th of October of the year unless for any special circumstances. Intake in the EYE classes (Playgroup to Class 2) may continue up to the 30th of December of the year, unless for any special circumstances.

.The class to which a child is admitted is determined in accordance with the child's age as on the 31st of July for schools where the Academic Session commences in August and the 28th of February for schools where the academic session commences in March/April.

.Each academic session consists of two terms.

.Co-education is available across the network. All girls or boys campuses are available in some locations.
