

Principal's Message

St. Joseph's Convent School is a place where students, parents and the community work cooperatively to create a holistic curriculum and flexible educational programme that meets the (intellectual, emotional, physical and social) needs of an ever-expanding and diverse student population.

Our vision

Our vision for St. Joseph's Convent School is to provide an environment that helps each student to discover and develop her potential to the full, as a responsible member of society.

About SJC

In the year 1861, Monsignor Steins, Vicar Apostolic of Bombay passing through Belgium called Mother Marie Therese, Superior General and founders of the Daughter of the Cross, and asked for several of her sisters to work in the Indian mission field. Canon Habets, co-founder, advised the Sisters to offer themselves for the mission.
